Dear Ms. Fowler,

On behalf of the Board of Trustees of The Periwinkle Foundation, I would like to thank you and Young Texans Against Cancer for the generous contribution of \$20,000 to The Periwinkle Foundation. This contribution will support programs that help more than 1,000 children with cancer and other life threatening illnesses find something they have lost...the joy of childhood.

In 1983, our founders wanted to take a small group of pediatric cancer patients from Texas Children's Hospital to camp so they could have fun. The children did have fun, but in the process, they gained so much more: they began to heal emotionally. Today our programs include Camp Periwinkle, Camp YOLO, Making A Mark® and Celebration of Life. The Periwinkle Programs provide carefree environments where children with cancer have the opportunity to learn important life skills just like children without cancer. By bringing joy back into their lives, they learn to be strong survivors, whether they live for one month more, or for a lifetime.

Your gift will be devoted to our tax-exempt purposes and we will not provide benefits or services that require being valued in consideration for it; therefore, it is 100 percent tax-deductible.

Again, thank you for your support and for your interest in improving the quality of life for children with cancer and other life threatening illnesses.

Sincerely,

Pat Prior Sorrells
Executive Director

*Thank you
so much!*
