Dear Ashley and everyone at YTAC,

Thank you so much for your contribution to the Amschwand Sarcoma Cancer Foundation. Your kindness and generosity will touch the lives of many men, women and children that are affected by this terrible disease. As you know, our fundraiser, Catwalk for a Cure will take place in the Fall—our date has been set for October 19th, 2004. Your gift will go directly towards the event, in which we hope to raise a substantial amount to go towards the fight against sarcoma, as well as the ASCF's support programs.

We are thrilled to have the Young Texans on board and look forward to a truly special event. We genuinely appreciate your gift to the foundation and all that you do to fight cancer. You really do make a difference!

We look forward to seeing you on the Catwalk!!

Sincerely,

Erin Heath
