Stephanie Fruge
Young Texans Against Cancer
P.O. Box 22915
Houston, TX 77227

Dear Stephanie,

Thank you so much for your recent donation to Heroes for Children. Because of donors like you, this year Heroes for Children celebrates the 10th Anniversary of enabling families to focus on the most important part of treatment—the child. There is no other organization that provides such versatility when it comes to assisting families battling childhood cancer.

The stress that the family endures, both *financially* and *emotionally*, when a child is diagnosed with cancer takes a toll on the entire family. The treatments can include chemotherapy, radiation and surgery over a period of six months up to three years or longer. Whether it is to pay a medical bill, buy gas for the frequent trips to and from the hospital, pay for childcare for siblings while mom and dad are at the hospital, cover a mortgage payment to prevent foreclosure, or keep a family from having their electricity turned off, Heroes for Children is committed to helping families.

Since its inception, Heroes for Children has provided over \$4.5 million in program services to families with children battling cancer. Through generous donations like yours, Heroes for Children also supports the social needs of families through our Social Assistance Programs. Programs include activities for the entire family, who could not afford otherwise, including fun family outings, milestone celebrations, laptops, and holiday celebrations. Your support impacts the lives of families in need and provides assistance at a time most needed.

We sincerely thank you for the contribution you have made to help families affected by childhood cancer. Should you have any questions, please feel free to contact Heroes for Children at (214) 256-5824.

With gratitude,

Kristy Hensel
Executive Director
